Serving the community

Borderhoppa, a registered not for profit charity, provides a range of community

services in south Norfolk and north Suffolk.

Our service allows people of all ages without access to other forms of transport to carry out everyday tasks such as shopping, attend GP appointments, visit friends and relatives or to attend a local club/community group.

The door to door dial-a-ride service has been providing a successful and reliable service since 2002.

We also run regular outings for members throughout the year including trips to the coast, gardens, shopping trips, boat trips and pub lunches.

If you are a member of a local not for profit community group, you can hire the minibuses for outings. Go to destinations of your choice, visit your favourite places and enjoy shopping trips.

We are also looking for more volunteer drivers and trustees to support our vital community transport service. Tom Clarke, Borderhoppa manager, said “Our services really do provide a lifeline for some of the most vulnerable people in our community so anyone who can help us would be making a massive contribution to local life. If you have some spare time and would be interested in helping us we would love to hear from you”.

For a copy of the 2022 outings leaflet and for any other information regarding the services we provide please call the office: 01379 854800, email: adminborderhoppa@btconnect.com or visit our website: borderhoppa.org.uk

As part of our **Claylands Wilder Connections Project** we are running Citizen Science Campaigns. Each season we're asking you to record your sightings of three species that make a home in the South Norfolk Claylands, to help us get a better picture of the areas that support these creatures and to help guide future conservation work.

Turtle dove, water vole, and glow-worm are the third set of species to be selected because of their association with summer and the species' need for large areas of connected habitat here in South Norfolk.

You can share your sightings:

- 1) On our online Spotter Survey www.norfolkwildlifetrust.org.uk/wilderconnections
- 2) By emailing wild@norfolkwildlifetrust.org.uk
- 3) By calling Sue Grime, Wilder Connections Engagement Officer 07393 807897.

We'll need to know what you saw where and when.

The Claylands Wilder Connections project aims to work with landowners, communities, and volunteers to "stitch together the fabric of the countryside" by creating, restoring, and enhancing habitats to benefit local wildlife within the Claylands Living Landscape area.

LONG STRATTON MEDICAL PARTNERSHIP

Swan Lane Surgery, Swan Lane, Tharston, Norwich, Norfolk, NR15 2UY Tel: 01508 530781

We are in the middle of Summer 2022 and I do hope you are all enjoying what summer brings along with it. Do look after yourselves and use adequate sun protection factor and ensure adequate hydration.

I have chosen a rather sensitive topic this time. As the Safeguarding lead for children and adults in the practice, I do have a role that brings mixed emotions with it. There is strong sense of wanting to prevent any harm happening to our patients. This is done through adequate training, ensuring that policies and processes are in place and that staff can bring to our attention any concerns they have noted during their interaction with patients. Prevention of harm is always the best policy. Yet on the other hand, I am aware that this can cause massive stress to all concerned. The important baseline message is that everyone should feel safe. Hence my choice of subject this time – Domestic abuse or violence. The UK government's definition of domestic violence is 'any incident or pattern of incidents of controlling, coercive, threatening behaviour, violence or abuse between those aged 16 or over who are, or have been, intimate partners or family members regardless of gender or sexuality. The abuse can encompass, but is not limited to psychological, physical, sexual, financial, emotional.' There is help and it is readily available 24 hours. I am adding the numbers that anyone can access if concerned.

1. **999** – ask for the police if worried about immediate danger
2. **Leeway** – advice, support and information to any adult or child in Norfolk and Suffolk. Domestic Abuse Helpline 0300 561 0077 or online LiveChat at <https://www.leewayssupport.org/>
3. **Refuge National Domestic Abuse Helpline** - 0808 2000 247 Online live chat and Web form at <https://www.refuge.org.uk/>
4. **Men's Advice Line** - UK wide, run by Respect is a confidential helpline specifically for male victims 0808 801 0327 <https://mensadvice.org.uk/>
5. **Bright Sky app** - Bright Sky is a mobile app and website for anyone experiencing domestic abuse, or who is worried about someone else.
6. **Women's aid** - If you are experiencing domestic abuse or are worried about friends or family, you can access the Women's Aid live chat service 7 days a week, 10am to 6pm. helpline@womensaid.org.uk

7. **Ask for ANI codeword** - If you are experiencing domestic abuse and need immediate help, ask for 'ANI' in a participating pharmacy. 'ANI' stands for Action Needed Immediately. If a pharmacy has the 'Ask for ANI' logo on display, it means they're ready to help.
8. **Safe Places** – can be in a shop like boots, an office, station or library. Find your safe place at <https://www.norfolk.gov.uk/safety/safe-places/about-safe-places/find-a-safe-place>

If you are concerned that a new, existing or former partner may have an abusive past, you can ask the Police to check records under the Domestic Violence Disclosure Scheme (also known as Clare's law).

It is everyone's right to be safe in every way.

~Mini Nelson~

DESPERATELY SEEKING DRIVER VOLUNTEERS!

Do you have SPARE TIME and a desire to HELP OTHERS?

Paul King (volunteer) says, "I particularly like taking the older people out for day trips – going to care homes to pick them up. It's good, it's fun, I really enjoy it.

You are bringing a bit of light into their lives because they are often living a very lonely existence. There is a social aspect to the work, they enjoy meeting old friends as well as chatting to people they've never met before.

It's satisfying to see when people are grateful and knowing you are fulfilling an essential role for the community. Without this service I think a lot of people would really, really struggle.

The BACT team take everything seriously from training to safety to maintenance of vehicles; making sure drivers are OK to drive."

If this sounds appealing and you would like to know more, please contact us on 01986 896896. | www.bactcommunitytransport.org.uk

The Garden in July....

Summer is progressing

This is often one of the hottest months of the year and a great time to sit out and enjoy your garden. Keep plants looking good by regularly dead-heading, and you'll enjoy a longer display of blooms. Make sure you keep new plants well watered, using grey water where possible, and hoe off weeds, which thrive in the sunshine.

1. **Deadhead bedding plants and repeat-flowering perennials, to ensure continuous flowering—** Keep plants looking attractive and encourage more blooms, whether in beds and border, containers or hanging baskets.

2. **Care for houseplant while on holiday—**Most houseplants will tolerate a few days' absence without suffering, but absences of more than a week call for some creative measures to provide valuable moisture in the right quantity.

3. **Water tubs and new plants if dry, but be water-wise—** Watering is one of the most important jobs when growing plants in containers. Roots need a balance of air and water to grow well which is easy to provide if you have a good quality compost or soil.
4. Check clematis for signs of clematis wilt
5. Pick courgettes before they become marrows
6. Treat apple scab
7. Clear algae, blanket weeds and debris from ponds, and keep them topped up
8. Order catalogues for next year's spring-flowering bulbs
9. Give the lawn a quick-acting summer feed, especially if not given a spring feed
10. Harvest apricots, peaches and nectarines

Thought for the month...

A few good things, (there are many, many more) about The Hempnall Group of Parishes

- Driving through the countryside from Diss to the Hempnall Group through the changing seasons, with time to reflect on the day ahead, and the day experienced
- Getting to know each unique village and its people
- The joy and privilege of sharing time with you in all the highs and lows that life brings, often knowing several generations of your families
- For being so patient and forgiving when I have made mistakes and got things wrong
- For all the fun we have had along the way here, and the places we have visited at home and abroad
- For your welcome, the kindness and care I have received
- For your faithfulness and generosity of heart and soul

I have had a wonderful time in The Hempnall Group. Thank you. As I say farewell, (my last Sunday will be 3rd July) I pray that you will "Farewell" as we all journey forward.

The life of the Group goes on.

Sunday Services are arranged until the end of September. A wide variety of clergy have

generously given their time and are looking forward to visiting The Group, I know you will make them welcome. There is also team of Authorised Worship Assistant's leading non communion services. You will see that each week there is always one service and sometimes two.

If you would like your child christened, if you would like to be married, if you need a service for a loved who has died, these will all still be possible.

Monthly Village News and weekly Thoughts and Prayers continue, as will Home Communion for those who are unable to come to church.

All of this is possible because of a faithful and dedicated group of people working on your behalf, not least to secure my successor. Please pray for them.

If you need to speak to a minister, in the first instance please contact your local Churchwarden or a designated person who will arrange for this to happen. Do please ask for what you need.

WOODTON UNITED CHARITIES

Woodton United Charities was established to support local residents from the parish of Woodton who may require financial assistance. On occasions any one of us may find ourselves in times of need because of bereavement, illness, redundancy, breakdown in relationships and most recently the spiralling cost of living.

Residents of the parish of Woodton who are suffering severe hardship can apply to the charity for a grant. WUC does not means test and each application will be treated in strict confidence; however the resources are finite and grants will be prioritised where there is a genuine need for financial help.

To apply for a grant either for yourself or on behalf of another village resident who may be in need, please visit woodtonunitedcharities.co.uk where an application form can be found or contact Ian Butler on 01508 482451 who will be happy to assist.
