**Time to move on from Old Mill & Millgates Medical Practice**

After 15 years working as a Phlebotomist at Old Mill & Millgates Medical Practice I have decided it's time to move on and try something new. I couldn't leave though without saying a big thank you to all the wonderful people I have met and come to know throughout my time at the practice. My new role will continue to see me working in Norfolk so I'm sure I will see some of you around in due course. In the meantime, bye for now, take care and hope to see you again soon.

Kind regards

# Woodton Parish Council

## Autumn 2022 Newsletter

This is Woodton Parish Council's new idea – a Newsletter twice a year to keep you all up to date as to what has been happening and what is planned. We hope you enjoy our first edition.

### Halloween in the Community Wood - Saturday & Sunday 29<sup>th</sup> and 30<sup>th</sup> October

Don't forget to bring along your own specially designed pumpkin and put it in the Community Wood over the weekend - but please come and light them on Halloween night itself on the Monday. The Wood will, as in the last few years, be decorated by anyone who wants to add their own creation. Why not pop your own designs up amongst the trees or along the paths? The spookier the better.....

Look out for details nearer the time, but we hope **Father Christmas** might make a visit to the Community Wood the week before Christmas!

### Extra Land at the Community Wood

The Parish Council have now bought the remaining land at the back of the bungalows at Suckling Place and already plans are in place to plant an orchard and a community planting scheme in part of it thanks to a grant from the Community Asset Funding scheme. There will also be benches and a table – with plans to connect this land to the back of the housing development at the Nurseries in The Street.

### The Forest School

A large canopy is being bought to give a protective area in the Forest School plus lots of pairs of binoculars so that the children, who visit each week, can really appreciate all that the Wood offers and spy all the birds and beasts that live there.

**Raven's Den** - There is a new Basketball hoop for you all to enjoy at Raven's Den. So please come along and have a go – but don't forget to bring your own ball as these are not provided. In addition, a mobile cricket net is on order ready to use next season. So lots for all ages to enjoy as we increase the facilities at Raven's Den.

## Speeding and 20mph Zone

At last, we have confirmation that The Street will be restricted to 20mph for all traffic. In addition, there will be a new solar powered vehicle activated sign (VAS) to replace the current SAM2. The Parish Council, together with support from our County and District Councillors, is still pursuing further speed restrictions and other traffic calming measures in Hempnall Road. This has become increasingly dangerous as a cut-through route, and we are determined to improve this very unsatisfactory situation. But it's not going to be easy.....

## Woodton Village Hall

The Bedingham Church Christmas Fair will be in the Village Hall on Saturday 12<sup>th</sup> November from 1.00 – 3.00pm. Please note the date and come along – lots to buy and enjoy. If you have any ideas what you'd like to see taking place in the Village Hall please do get in touch.

## Christmas in our Churches

These services have yet to be confirmed but please keep an eye on the Group's monthly Village News for details. We will also list these on the Parish Council noticeboard for you all to see.

## Save the Rain

Excellent News! Woodton is one of the six successful communities selected to be part of a pioneering joint Norfolk & Suffolk County Council six year long project – Reclaim the Rain. Please respond to the attached survey.

Details of much of this and lots more can be found on the Parish Council website – [www.woodtonpc.org](http://www.woodtonpc.org)

**We hope you've enjoyed reading this and comments are always welcome**

If any local businesses or organisations would like to advertise in future editions for a small charge, please do get in touch with our clerk – 01508 493134. This would help us with the cost of printing.

**POSADA**—We will be having Posada again this year!

**What is Posada?** - Posada is an old Mexican Tradition. Young people dressed as Mary and Joseph travel from house to house in their village asking for a room for the night, telling of the imminent arrival of Jesus. On Christmas Eve they visit the local church to tell the Christmas story and place the figures of Mary and Joseph in the crib.

Would you be willing to give the (unbreakable) crib figures of Mary and Joseph a home for one night giving them somewhere nice to stay and then pass them on to the next home where they will stay?

All you need to do is ring Lorraine on 01508 498289 or 07583 697878 or the Group Office on 01508 498157 or email: [hempnallgroup.office@btinternet.com](mailto:hempnallgroup.office@btinternet.com)

We will let you know the day Mary and Joseph will come to stay and where to take them for the next night.

## October 2022

Well this term has already been extremely busy, with different events happening as well as planning for the term before Christmas. During September our year 6 children participated in their 3 day cycling proficiency course, all of the children did extremely well and will be receiving their road safety certificates soon.

At the start of October to celebrate 'World Space week', Oaks and Willows class welcomed parents in for an afternoon. Children had the opportunity to show their parents and carers, what they had learnt about space during the week. There was a wide range of different space activities for everyone to get involved with.

Over the last month, we have been supporting different charities by raising money. The children raised just over £50 for the 'Jeans for Genes' charity on Friday the 23<sup>rd</sup> of September. Also, the PTA held a Macmillan coffee morning on Friday the 30<sup>th</sup> of September and raised just over £155. We would like to say thank you to everyone that helped us raise funds for these amazing charities.

Some of our key stage 2 boys and girls took part in the Hobart Football Cluster League. This comprised of a series of football matches competing with other schools. They all played so well, and came 5<sup>th</sup> in the tournament.

### November – Men’s Health Awareness Month

November arrives and it brings with it several issues – winter, energy bills, flu, covid and then Christmas soon with its associated expenses. This month however has much more to it. It is the month dedicated to men’s physical and mental health. International Men’s Health day is November 19<sup>th</sup>.

Why is there a month dedicated to Men’s health? I looked at various websites to find an appropriate and justifiable answer. The one I liked best was on the City, University of London Student hub website: This month is Men’s Health Awareness Month which marks an important time to talk about the mental health of men and how we can reduce stigma, do away with societal expectations and increase the likelihood of support uptake among men.

The charity MIND which deals with mental health, published a document in December 2020, right in the middle of a disastrous period of the pandemic: Get it off your chest. Men’s health 10 years on.

The important take home message from me is ‘Never hesitate to ask for help.’ Asking for help is not a failure. Asking for help can change your life and thereby improve your quality of life.

## Thought for the month...

### *Remember, remember – the theme of November...*

November is, within our church calendar, a time for remembering.

The month begins with All Saints' Day (1<sup>st</sup> November) and All Souls Day (2<sup>nd</sup>), celebrating, respectively, the saints of the church and **all** the faithful who have lived and died. This year on *Sunday 6<sup>th</sup> November at 10am in Woodton Church* – a building named as, and dedicated to, 'All Saints' – we have a *Group Eucharist* to mark All Saints' Tide.

That same afternoon (*Sunday 6<sup>th</sup> November*) in *Hempnall Church at 3pm* we have our annual *Commemoration Service* (see [p.x](#)) to remember specifically those known to us and loved by us. If you would like the name of your loved one to be included, please contact the Group Office.

On Remembrance Sunday (*Sunday 13<sup>th</sup> November*) we commemorate those who fought and died in the First and Second World Wars and other conflicts of the past 100 years – especially, in our ceremonies in this country, those in which British personnel have been involved. We remember those who mourn. And we pray for peace.

*There will be an Act of Remembrance (and/or a Remembrance Service) in all the parishes in the Group. You will find details on [p. y.](#)*

These occasions, while each has a different context, are all opportunities to remember, to reflect and to realise anew the connections shaping us as communities and individuals. So – let’s pause this month to give thanks both for those, unknown, from a distant past who have gone before us and for those whom we have personally known and loved. And let’s try to find courage and inspiration to live our lives in a way that honours the past, builds on our legacy and offers hope for the future.

*~Contributed by Liam Pilgrim~*

**They shall grow not old,  
As we that are left grow old,  
Age shall not weary them,  
Nor the years condemn.  
At the going down of the sun,  
And in the morning  
We will remember them.**
