JULY WALK

Sunday 7th July 2024

The walk on Sunday 7 July at 2 pm will be from Rockland St Mary Staithe car park (NR14 7HP), almost opposite the New Inn. It is a circular walk of just over 5 miles along footpaths by the Broad, and riverbank leading to the village of Claxton taking in quiet lanes and footpaths along field edges and through woodland. Walking boots recommended as there are some damp areas. Tea and cake available afterwards at the home of Daphne and John. Please let them know if you will be coming so they don't leave without you (tel 01508 494318).

AUGUST WALK

Sunday 18th August 2024

Meet at Hardley Staithe NR14 6BU for a 2pm start. Walk along quiet lanes and a footpath beside the river Yare. The walk is approximately 5 miles. Please bring a drink and we will have a picnic when we return to the car park. For any further details please contact David and Margaret Ferré, 01508 482562.

Topcroft Open Gardens

On behalf of Topcroft PCC I should like to thank everyone involved with Topcroft Open Gardens on May 26th and 27th May. Despite the very wet Sunday over 150 visitors braved the rain and over 250 on Monday. Our thanks especially go to the 12 gardeners who kindly opened which included the Woodlands and the Hall who also provided refreshments, those who sold plants, exhibited their wood turning and ceramics, all the helpers and cake makers for the Pavilion who served drinks and food all day, preparation of car park meadows, the gate team, Patrick and Michael for providing the bus transport and Andrew for loaning the golf buggy transport.

All this hard work and support from our visitors helped raise £4716.13 for church funds to meet our costs for quotas insurance and upkeep of St Margaret's. Many thanks to all

Hempnall WI report for July/August newsletter

Hempnall WI members and a few guests enjoyed listening to Mr Wally Webb at our June meeting. He gave a brief history of his work with Radio Norfolk and the enjoyment he had from meeting so many members of the public while in the radio car. The speaker at July's meeting will be talking about Dame Millicent Garrett Fawcett, leader of the National Union of Women's Suffrage Societies. Our August meeting will be a guided walk around Wymondham in the morning followed by lunch at a local pub.

Please contact Cindy Brookes, cindylbrookes@icloud.com, tel 01508 499358, for further information.

Gardening in July & August...

Summer progresses from July to sultry August

July and August are often the hottest months of the year - making watering essential. Try to use grey water wherever possible, especially as water butts may be running low if it has been a dry summer. Keep plants looking good by regularly dead-heading, and you'll enjoy a longer display of blooms.

In addition August is traditionally holiday-time, so you might need to enlist the help of friends and family to look after the garden while you are away. When you are at home, take the time to prune *Wisteria* and summer-flowering shrubs such as lavender once they've finished flowering.

Top gardening jobs for July & August...

1. Deadhead bedding plants and repeat-flowering perennials, to ensure continuous flowering. Keep plants looking attractive and encourage more blooms, whether in beds and border, containers or hanging baskets.

2. Care for houseplant while on holiday. Most houseplants will tolerate a few days' absence without suffering, but absences of more than a week call for some creative measures to provide valuable moisture in the right quantity.

3. Prune Wisteria. Wisteria needs regular pruning to keep the growth and size under control, but it will also improve the flowering display. Although it seems complicated, wisteria pruning is quite simple if you follow our simple guide.

| 4. Check clematis for signs of clematis wilt | 8. Collect seed from garden plants |
| 5. Clear algae, blanket weeds and debris from ponds, and keep them topped up | 9. Harvest sweetcorn and other vegetables as they become ready |
| 6. Order catalogues for next year's spring-flowering bulbs | 10. Continue cutting out old fruited canes on raspberries |
| 7. Give the lawn a quick-acting summer feed, especially if not given a spring feed | 11. Lift and pot up rooted strawberry runners |

News from Woodton Primary School

June/July 2024

Even though the weather hasn't been the best, the children have still been full steam ahead with events and trips.

We have just started our Wellbeing Garden club on Mondays, which is being supported by 'Tilia Market Garden' from Hempsall. The children have been taking turns and thriving with planting and maintaining our new Wellbeing garden.

Our Oaks class had an amazing time at their residential trip to the Norfolk Lakes. With three days away from home, they all did so well, and took part in many activities like climbing, rafting and enjoyed some big campfires with marshmallows.

Our Willows class walked to Old Hall Farm a few weeks ago, and learnt all about farm animal habitats, as well as watching how the cows are milked. Willows class have also been on a trip to Banham zoo to help support their curriculum subject of animals and their habitats this term.

In our sports events, our Sycamores class attended the Tri-Golf tournament at Bungay Golf club.

Our Oaks class will be going to the Athletics event at the UEA, where they will have a range of races for the children to compete in.

Sycamores are joining Ellingham Primary's Eco committee on a trip to the Norfolk Show at the end of June, where they will walk round all the many education stalls that are running this year.

As a 'School of Sanctuary', we will be supporting the Refugee week this year by running another sponsored walk. The children will gather sponsors from family and friends for them to walk in their local area; all money raised will be donated to the charity 'Welcome Wheels'.

We have also had some amazing news from Tesco. We have been accepted for the 'Tesco Stronger Starts' grant. Many of you may know that Tesco give blue tokens for every purchase in store, these can then be posted in the voting booths, which are normally at the exit of the stores. Our grant appeal will start on the first week of July and carry on until September. We will be situated in the Beccles store and the Southwold express store and will be clearly marked 'Woodton Wellbeing Garden Project'. Any support would be greatly appreciated, as the booth with the most tokens will receive the top grant.

Tickets are £2 each.

Framtastics will be performing; there will also be a raffle, ice cream van, BBQ, plus lots more.

HEMPNALL PRIMARY SCHOOL NEWS....

Here at Hempnall Primary School we have had a very enriching start to the summer term. The children have been actively participating in a variety of sports, fostering teamwork, fitness and healthy competition. Years 1-2 pupils from Brooke and Hempnall attended a cricket festival at Hethersett and Tas Valley Cricket Club. The pupils had a brilliant time in some glorious weather, learning all about the main three skills used in cricket (batting, bowling, fielding) and hopefully sparking a real interest in the sport.

Outside learning:

Embracing the warmer weather, lessons have moved outside, offering students hands-on learning experiences in nature. The children have seen their runner beans and sunflowers, which they planted at Tilia, a few weeks ago, grow. We have also started to make a new bed, by the willow domes, for our pumpkins, strawberries and more beans. We have also done a scavenger hunt and painted pictures of our choice of things from nature. Some children even tried to paint with naturally made paint from leaves and dandelions!

WW2:

Stepping back in time, children in Years 4,5 & 6 have engaged in World War II reenactments, bringing history to life and providing a deeper understanding of this pivotal period. Costumes, cooking, dancing to drill, the children have experienced many different wartime activities! Everyone enjoyed eating the delicious creations, singing to Vera Lynn and performing a 60-person jive! The children are excited for their school trip to Flixton Aviation Museum this term to continue their WW2 experience.

Staffing news:

We have some significant updates to our school structure that we'd like to share with you. Our Executive Head, Alex Griffiths, has been offered an exciting new role at Costessey Primary School. We wish Alex all the best in his new venture and thank him for his dedication and contributions to our school community.

We are thrilled to announce that Sarah Lewis, formerly the Head Teacher at Hempnall, has been appointed as the new Executive Headteacher across our Sunflower Federation. Sarah brings a wealth of experience and a passionate commitment to education, and we look forward to the positive impact she will have in her new role.

Additionally, we are pleased to announce that Tori Weal, formerly the Head Teacher at Brooke, has been appointed as the Deputy Executive Headteacher across our Federation. Tori's leadership and dedication will be invaluable as we continue to grow and strengthen our community.

Please join us in wishing Alex Griffiths success in his new position and welcoming Sarah Lewis and Tori Weal to their new leadership roles within our federation.

CELEBRATING WITH ANIMALS AT SHELTON - 2ND JUNE 2024

Greeting each other...

We had a sizeable and diverse congregation of 19 humans, 11 dogs, three horses and a tortoise at our special service of celebration with animals at Shelton in early June, led by Liam. Each animal was introduced and prayed for individually and we also named other companion animals to be remembered in prayer.

The service was joyful, with suitable refreshments all round afterwards (including a lettuce for the tortoise). Thanks to all who came along, to Janaka Fernando for the equine photographs shown here and to Meryl Butcher for other images which are being passed on to participants.

Sadly one of the dogs (Angus) who was with us at the service that morning has subsequently died: we shall remember him with affection.

Do come in...

~Liam Pilgrim~

Gardens ...

As we pass 2024's longest day (even though we may feel summer has barely arrived this year), our gardens are in full swing, lush, colourful, with everything growing apace following the cooler and wetter conditions of earlier months. What will happen next?

Mannington Hall Heritage Rose Garden, Norfolk

How our gardens are doing is a topic of conversation almost as common as sharing our views on the weather (and of course the two are connected). It's been estimated that over 40% of the UK population are gardeners. And we're not all 'of a certain age', with reports that 75% of 'millennials' say they enjoy gardening, and that over 80% regard it as 'cool'.

So, across garden fences and across generations, we pass on observations and comments about how particular plants are doing, we moan about the weeds, we complement each other on how our plots/ tubs/hanging baskets are looking, we sympathise when slugs and snails take over...

And, whether or not we have our own garden space, many of us will also visit gardens in our leisure and holiday time, through local 'Open Gardens' events or organisations such as the National Garden Scheme and the National Trust: 'garden tourism' is a recognised phenomenon, impacting on local economies. It's clear that 'gardens' are a major part of our culture, something we share, value and celebrate.

As we enjoy our gardens – our own or those of others – perhaps we'll experience something deeper. 'One is nearer to God in a garden than anywhere else on earth', wrote Dorothy Gurney, the English poet and hymn-writer, in her poem '*God's Garden*'; while Carol Bialock, an American poet and nun, described it this way: 'Five minutes in a garden and you know it's all God. The daisies can't deceive, the roses can't keep the secret...'

We hope we'll all have a chance to spend some time in gardens this summer, watching them change and develop. In the words of a Celtic prayer:

*May the rains sweep gentle across the fields,
May the sun warm, but not bake, our land,
May every good seed bear fruit,
And late summer find us standing in fields of plenty.*

Best wishes to all

Liam Pilgrim and Jill Turner,

Co-Chairs of the Joint Council of the Hempnall Group of Parishes

*The garden of The Bishop's House, Cathedral Close, Norwich,
often open in support of local charities.*
